Their Story...

Growing up in their parent's restaurant, learning countless family recipes and what customers desired most, brothers Dan and Peter began to create their own vision for a Chinese restaurant: a clean, trendy atmosphere where customers can get fresh quality food quickly and conveniently.

The brothers developed innovative methods of cooking that would allow their chefs to replicate their delicious one-of-a-kind recipes without sacrificing quality or taste. Ming and Sing presents an exciting blend of authentic and modern flavors, each unique dish featuring carefully selected ingredients served steaming hot. From the in-house made sauces to the mouthwatering boneless pork, it's an experience that will keep you coming back.
